

air

adventure skills
are great for fun,
friendship and
challenge.

adventure skills badges
will help you on your
beaver adventure

Start your air badge.

These are the things that you need to know or do to get the stage 1 air badge:

- * I can name all the things I know that can fly.
- * I can show pictures of and be able to talk about different types of flying machines.
- * I can build a paper aeroplane from an A4 sheet that will fly, climb and turn.
- * I can discuss the features of an airport from a model or picture (Runway, Terminal and Control Tower).
- * I know how to be safe around aircraft.
- * I have visited an airport.

leave no trace

Your SCOUTERS and beaver scout friends will help you to learn new skills together.

The best way is to practise. You can also get help from cub scouts, scouts, venture scouts and rover scouts...

air adventure skill

when you work on the air badge you will learn about things that fly and how they fly safely. You will even build your own flying machines and visit an airport.
